## Wellington Crescent!

HOW DO I REGISTER TO INSPECT ? - Instructions available below this ad.

This stunning two bedroom residence on the first floor of 1 Wellington Crescent takes full advantage of its corner position. The apartment enjoys an abundance of natural light from windows in every room whilst remaining shielded by the canopy of surrounding trees.

The two bedrooms are ideally positioned at opposite corners of the residence allowing total privacy for residents. You'll appreciate the large open living room with Juliet balcony and a kitchen that opens out into the living space is ideal for entertaining.

The bathroom houses a shower over bath and the euro laundry is positioned discretely away from the living space.

Additional features include:

- Intercom access
- Water usage included in rent
